The artists are selected based on their application portfolio by Carré sur Seine.

This initial application phase is free of charge.

The winners from previous editions can participate in the successive editions of the Rencontres Artistiques but they are not eligible for a new prize.

Accepted Portfolios and Procedure

Candidates who are selected will be notified of the participation details by email. They will also receive the access details of their 'Artist Account.'

Candidates are invited to list in their 'Artist Account', fifteen experts names they wish to meet, as well as their days and times availability.

In the interest of fairness, each selected candidate can have a maximum of five appointments, within the limit of the available appointment slots and the availability of the experts they wish to meet.

This limitation may be lifted by Carré sur Seine.

A participation fee of 12 euros per session is required for each individual appointment. No refund is possible in case of duplication or error during the appointment scheduling or in case of candidate tardiness or withdrawal on the day of the session. An invoice for the paid sessions is available upon request. Please write to carresurseine2024@gmail.com and include in the email:

- Your Full Name
- Your Postal Address
- The Number of Paid Sessions

For more details on the application procedure, please refer to the dedicated page on the association's website: <https://carre-sur-seine.com/en/modalites/>

Upon request, if a session is canceled by an expert or by Carré sur Seine, and unless it can be rescheduled in agreement with the artist, the candidate may claim a refund for it. If the Rencontres Artistiques Carré sur Seine cannot be held physically due to force majeure reasons, Carré sur Seine reserves the right to organize them via video conference.

CARRÉ SUR SEINE Règlement

It is strictly prohibited to contact the experts on behalf of the Rencontres Artistiques or Carré sur Seine. Any solicitation of an expert claiming affiliation with the Rencontres Artistiques event will result in the cancellation of the artist's participation in the current edition, without the possibility of a refund, and/or for future editions.

The Finalists' Exhibition

In order to showcase a wide range of artists who have presented the most remarkable and innovative artworks at the Rencontres Artistiques event, Carré sur Seine, the president, and the jury of the current edition select the finalists who will have the opportunity to participate in the collective exhibition.

The Prix Carré sur Seine

The Carré sur Seine Prize distinguishes each year one or more laureates from among the finalist artists selected by the jury of professionals of the current edition.

The Prize is accompanied by a grant of 5,000 euros and is accompanied by an exhibition that highlights the selected finalists.

For 2024 edition, the Carré sur Seine Prize is evolving and acquiring a new dimension. In addition to the traditional prize, to which the Prix Carré sur Seine | Fonds de dotation Interconstruction was added in 2023, the association introduces the Curatorial Perspectives prize, the Nexity Héritage Residency Program, and the Prix de la Marraïne.

The Prix Carré sur Seine | Fonds de dotation Interconstruction, offered by the FDD Interconstruction, is awarded to an artist whose expression is related to sculptural or 3-D work. It will be awarded by the FDD Interconstruction jury and accompanied by a grant of 5,000 euros.

The Prix Carré sur Seine | Perspectives curatoriales is accompanied by a grant of 1,000 euros. The laureate will have the opportunity to co-design the finalists' exhibition with the curator, Yvannoé Kruger, and Carré sur Seine.

The Prix Carré sur Seine | Programme de Résidence Nexity Héritage was born from the collaboration between Nexity Héritage and Carré sur Seine, and it provides three workspaces to three selected artists. The winners of the residency program will be highlighted during the finalists' exhibition.

The Prix Carré sur Seine | Prix de la Marraïne offers the chosen laureate from among all the exhibition's finalists, a grant of 1,500 euros. The laureate also integrates the upcoming program of the Centre Wallonie Bruxelles/Paris.
